

Wish List

Thank you so much for your interest in helping the Ronald McDonald House by donating Wish List items. Our House is capable of serving up to 42 families at a time. As a result, we are in need of the same household items that you consume while maintaining your own home.

Please keep in mind that we serve individual families, so while bulk items for cleaning and bulk items individually wrapped are wonderful, other bulk items are harder for us to use in a timely manner. If you have any questions, please feel free to contact us at (507) 282-3955.
